AOEC ENCHANTED TIME TRACK

Test Your Skills and Equipment!

Ready to challenge yourself and your mobility equipment? Our Time Track spans 1,519 feet and combines a variety of terrain from inclines, declines, tricky turns, and more. The Time Track is a purpose built obstacle course and trail for users to evaluate the efficiency, comfort, and ease of use of various adaptive equipment. Recording your time to complete the Track provides you with a benchmark for evaluating your adaptive equipment.
